# **Gross Receipts**

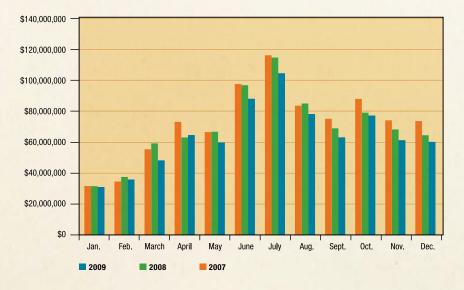

Each month the city monitors revenue generated by each business sector to identify trends. If a category trends downward over a period of time, potential strategies to reverse the trend are evaluated.

As the gross receipts pie chart and graph illustrate, Pigeon Forge is not overly dependent on any single business sector and this is one of the reasons Pigeon Forge continues to be successful as a destination.

#### GROSS RECEIPTS BY SECTOR

Revenue for 2009	Revenue for 2008	% of Total Business in 2009	% of Change
\$126,913,639	\$138,167,536	16	-8
